NURSING RESEARCH

INDEX TO VOLUME 47 ♦ JANUARY TO DECEMBER 1998
MOLLY C. DOUGHERTY, PHD, RN, FAAN, EDITOR

SUBJECT INDEX

A

Activities of Daily Living
Symptom and activities of daily living trajectory in multiple sclerosis (Gulick), 137

Adolescent Medicine
Genetic and environmental influences on cardiovascular disease risk factors in adolescents (Meininger, Hayman, Coates, Gallagher), 11
Self-schemas and possible selves as predictors and outcomes of risky behaviors in adolescents (Stein, Roeser, Markus), 96

Adult-Adolescent Parenting Inventory
The effect of maternal psychosocial factors on parenting attitudes of low-income, single mothers with young children (Lutenbacher, Hall), 25

Aged. *See* Geriatric Population
AIDS. *See* HIV/AIDS

Amphotericin-B
Meperidine attenuates the secretion but not the transcription of interleukin 1β in human mononuclear leukocytes (McCarthy, Murray, Galagan, Gern, Hutson), 19

Analgesics
Analgesic drug prescription and use in cognitively impaired nursing home residents (Horgas, Tsai), 235

Angiography
Vascular complications after angiography with/without use of sandbags (Christensen, Manion, Iacarella, Meyer, Cartland, Bruhn-Ding, Wilson), 51

Attrition
Commitment and communication: keys to minimizing attrition in multisite longitudinal organizational studies (Salyer, Geddes, Smith, Mark), 123

B

Bacterial Colonization
Impact of 5-minute scrub on microbial flora found on artificial, polished, or natural fingernails of operating room personnel (Edel, Houston, Kennedy, LaRocco), 54

Behavior
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies, Buffington, Cowan, Hepworth), 251
Racial differences in health status and health behaviors of older adults (Kim, Bramlett, Wright, Poon), 243
Self-schemas and possible selves as predictors and outcomes of risky behaviors in adolescents (Stein, Roeser, Markus), 96

Bereavement
The effects of home nursing care for patients during terminal illness on the bereaved's psychological distress (McCorkle, Robinson, Nuamah, Lev, Benoliel), 2

Braden Scale
Predicting pressure sore risk with the Norton, Braden, and Waterlow Scales in a Hong Kong rehabilitation hospital (Pang, Wong), 147
Predicting pressure ulcer risk: a multisite study of the predictive value of the Braden Scale (Bergstrom, Braden, Kemp, Champagne, Ruby), 261

Breast-feeding
A theory of planned behavior-based structural model for breast-feeding (Duckett, Henly, Avery, Potter, Hills-Bonczyk, Hulden, Savik), 325

Brief (Department)
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies, Buffington, Cowan, Hepworth), 251

Vascular complications after angiography with/without use of sandbags (Christensen, Manion, Iacarella, Meyer, Cartland, Bruhn-Ding, Wilson), 51

Attrition
Commitment and communication: keys to minimizing attrition in multisite longitudinal organizational studies (Salyer, Geddes, Smith, Mark), 123

B

Bacterial Colonization
Impact of 5-minute scrub on microbial flora found on artificial, polished, or natural fingernails of operating room personnel (Edel, Houston, Kennedy, LaRocco), 54

Behavior
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies, Buffington, Cowan, Hepworth), 251
Racial differences in health status and health behaviors of older adults (Kim, Bramlett, Wright, Poon), 243
Self-schemas and possible selves as predictors and outcomes of risky behaviors in adolescents (Stein, Roeser, Markus), 96

Bereavement
The effects of home nursing care for patients during terminal illness on the bereaved's psychological distress (McCorkle, Robinson, Nuamah, Lev, Benoliel), 2

Braden Scale
Predicting pressure sore risk with the Norton, Braden, and Waterlow Scales in a Hong Kong rehabilitation hospital (Pang, Wong), 147
Predicting pressure ulcer risk: a multisite study of the predictive value of the Braden Scale (Bergstrom, Braden, Kemp, Champagne, Ruby), 261

Breast-feeding
A theory of planned behavior-based structural model for breast-feeding (Duckett, Henly, Avery, Potter, Hills-Bonczyk, Hulden, Savik), 325

Brief (Department)
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies, Buffington, Cowan, Hepworth), 251

Impact of 5-minute scrub on microbial flora found on artificial, polished, or natural fingernails of operating room personnel (Edel, Houston, Kennedy, LaRocco), 54
Metaphor: the language of nursing research (Kangas, Warren, Byrne), 190
Vascular complications after angiography with/without use of sandbags (Christensen, Manion, Iacarella, Meyer, Cartland, Bruhn-Ding, Wilson), 51

Bypass Surgery
Quality of life in coronary artery disease (Lukkarinen), 337

C

Cardiac Autonomic Function
Cardiovascular dysautonomia of patients with end-stage renal disease and type I or type II diabetes (Hathaway, Cashion, Wicks, Milstead, Gaber), 171

Cardiac Ejection Fraction
Effect of positioning on $S\bar{v}O_2$ in critically ill patient with low ejection fraction (Gawlinski, Dracup), 293

Cardiac Invalidism
A longitudinal causal model of cardiac invalidism following myocardial infarction (Riegel, Dracup, Glaser), 285

Cardiac Rehabilitation
Women's patterns of exercise following cardiac rehabilitation (Moore, Ruland, Pashkow, Blackburn), 318

Cardiovascular Disease
Genetic and environmental influences on cardiovascular disease risk factors in adolescents (Meininger, Hayman, Coates, Gallagher), 11

Caregivers
The effect of social support boosting intervention on stress, coping, and social support in caregivers of children with HIV/AIDS (Hansell, Hughes, Caliandro, Russo, Budin, Hartman, Hernandez), 79
The experience of being a grandmother who is primary caregiver for her HIV-positive grandchild (Caliandro, Hughes), 107
Transmural care of terminal cancer patients: effects on quality of life of direct caregivers (Smeenk, deWitte, van Haastregt, Schipper, Biezemans, Crebolder), 129

Child Abuse
Mother's potential for child abuse: the roles of childhood abuse and social resources (Hall, Sachs, Rayens), 87

Chronic Illness
Mothers with multiple sclerosis and their children: effects of fatigue and exacerbations on maternal support (Deatrick, Brennan, Cameron), 205
Symptom and activities of daily living trajectory in multiple sclerosis (Gulick), 137

Cognitive Impairment
Analgesic drug prescription and use in cognitively impaired nursing home residents (Horgas, Tsai), 235

Coping
The effect of social support boosting intervention on stress, coping, and social support in caregivers of children with HIV/AIDS (Hansell, Hughes, Caliandro, Russo, Budin, Hartman, Hernandez), 79

Coronary Artery Disease
Quality of life in coronary artery disease (Lukkarinen), 337

Cortisol
Differences in cortisol, a stress hormone, in women with turmoil-type premenstrual symptoms (Cahill), 278

Critical Care
Effect of positioning on $S\bar{v}O_2$ in critically ill patient with low ejection fraction (Gawlinski, Dracup), 293

D

Decubitus Ulcer
Predicting pressure sore risk with the Norton, Braden, and Waterlow Scales in a Hong Kong rehabilitation hospital (Pang, Wong), 147
Predicting pressure ulcer risk: a multisite study of the predictive value of the Braden Scale (Bergstrom, Braden, Kemp, Champagne, Ruby), 261

Dependency
A longitudinal causal model of cardiac invalidism following myocardial infarction (Riegel, Dracup, Glaser), 285

Depression
The effect of maternal psychosocial factors on parenting attitudes of low-income, single mothers with young children (Lutenbacher, Hall), 25
Perceived self-efficacy, functional ability, and depressive symptoms in older elective surgery patients (Kurlowicz), 219

Diabetes Mellitus
Cardiovascular dysautonomia of patients with end-stage renal disease and type I or type II diabetes (Hathaway, Cashion, Wicks, Milstead, Gaber), 171

Dysautonomia
Cardiovascular dysautonomia of patients with end-stage renal disease and type I or type II diabetes (Hathaway, Cashion, Wicks, Milstead, Gaber), 171

E

Editorials
See also Guest Editorials
About reference citations (Dougherty), 259
Changes...(Dougherty), 1

Elderly. *See* Geriatric Population

Emergency Department
Randomized trial of geragogy-based medication instruction in emergency department (Hayes), 211

Emotional Distress
A longitudinal causal model of cardiac invalidism following myocardial infarction (Riegel, Dracup, Glaser), 285

Employment
Maternal employment and parent-child relationships in single-parent families of low-birth-weight preschoolers (Youngblut, Singer, Madigan, Swegart, Rodgers), 114
Parental sensitivity to infants and toddlers in dual-earner and single-earner families (Broom), 162
A theory of planned behavior-based structural model for breast-feeding (Duckett, Henly, Avery, Potter, Hills-Bonczyk, Hulden, Savik), 325

Endotoxin
Meperidine attenuates the secretion but not the transcription of interleukin 1β in human mononuclear leukocytes (McCarthy, Murray, Galagan, Gern, Hutson), 19

Environment
Genetic and environmental influences on cardiovascular disease risk factors in adolescents (Meininger, Hayman, Coates, Gallagher), 11

Exercise
Older adults and exercise: path analysis of self-efficacy related constructs (Conn), 180
Women's patterns of exercise following cardiac rehabilitation (Moore, Ruland, Pashkow, Blackburn), 318

F

Family Issues
The effect of maternal psychosocial factors on parenting attitudes of low-

income, single mothers with young children (Lutenbacher, Hall), 25
The experience of being a grandmother who is primary caregiver for her HIV-positive grandchild (Caliandro, Hughes), 107
Maternal employment and parent-child relationships in single-parent families of low-birth-weight preschoolers (Youngblut, Singer, Madigan, Swegart, Rodgers), 114
Maternal interaction patterns and preschool competency in high-risk children (McGrath, Sullivan, Seifer), 309
Mother's potential for child abuse: the roles of childhood abuse and social resources (Hall, Sachs, Rayens), 87
Mothers with multiple sclerosis and their children: effects of fatigue and exacerbations on maternal support (Deatrick, Brennan, Cameron), 205
Parental sensitivity to infants and toddlers in dual-earner and single-earner families (Broom), 162

Fatigue
Fatigue in HIV-infected men receiving investigational interleukin-2 (Grady, Anderson, Chase), 227
Mothers with multiple sclerosis and their children: effects of fatigue and exacerbations on maternal support (Deatrick, Brennan, Cameron), 205

Fingernails
Impact of 5-minute scrub on microbial flora found on artificial, polished, or natural fingernails of operating room personnel (Edel, Houston, Kennedy, LaRocco), 54

Functional Ability
Perceived self-efficacy, functional ability, and depressive symptoms in older elective surgery patients (Kurlowicz), 219

G

Genetics
Genetic and environmental influences on cardiovascular disease risk factors in adolescents (Meininger, Hayman, Coates, Gallagher), 11

Geragogy
Randomized trial of geragogy-based medication instruction in emergency department (Hayes), 211

Geriatric Population
Analgesic drug prescription and use in cognitively impaired nursing home residents (Horgas, Tsai), 235
Individualizing nighttime incontinence care in nursing home residents (Schnelle, Cruise, Alessi, Al-Samarrai, Ouslander), 197
Older adults and exercise: path analysis of self-efficacy related constructs (Conn), 180
Perceived self-efficacy, functional ability, and depressive symptoms in older elective surgery patients (Kurlowicz), 219
Racial differences in health status and health behaviors of older adults (Kim, Bramlett, Wright, Poon), 243
Randomized trial of geragogy-based medication instruction in emergency department (Hayes), 211

Governance
Measuring nursing governance (Hess), 35

Growth and Development
Maternal interaction patterns and preschool competency in high-risk children (McGrath, Sullivan, Seifer), 309

Guest Editorials
Launching your research career through postdoctoral training opportunities (Wysocki), 127
Researching the world of children (Broome), 305
Vulnerable populations: a continuing nursing focus (Nyamathi), 65

H

Health Behavior
Racial differences in health status and health behaviors of older adults (Kim, Bramlett, Wright, Poon), 243

Health Perceptions
A longitudinal causal model of cardiac invalidism following myocardial infarction (Riegel, Dracup, Glaser), 285

Health Promotion
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies Buffington, Cowan, Hepworth), 251

Health Status
Conceptualizing vulnerable populations health-related research (Flaskerud, Winslow), 69
Racial differences in health status and health behaviors of older adults (Kim, Bramlett, Wright, Poon), 243

Heise's Method
Distinguishing between the stability of a construct and the stability of an instrument in trait/state measurement (Knapp, Kimble, Dunbar), 60

HIV/AIDS
The effect of social support boosting intervention on stress, coping, and social support in caregivers of children with HIV/AIDS (Hansell, Hughes, Caliandro, Russo, Budin, Hartman, Hernandez), 79
The experience of being a grandmother who is primary caregiver for her HIV-positive grandchild (Caliandro, Hughes), 107
Fatigue in HIV-infected men receiving investigational interleukin-2 (Grady, Anderson, Chase), 227

Home Nursing Care
The effects of home nursing care for patients during terminal illness on the bereaved's psychological distress (McCorkle, Robinson, Nuamah, Lev, Benoliel), 2

I

Index of Professional Nursing Governance
Measuring nursing governance (Hess), 35

Infant, low-birth-weight
Maternal employment and parent-child relationships in single-parent families of low-birth-weight preschoolers (Youngblut, Singer, Madigan, Swegart, Rodgers), 114

Interleukin(s)
Fatigue in HIV-infected men receiving investigational interleukin-2 (Grady, Anderson, Chase), 227
Meperidine attenuates the secretion but not the transcription of interleukin 1β in human mononuclear leukocytes (McCarthy, Murray, Galagan, Gern, Hutson), 19

Invalidism
A longitudinal causal model of cardiac invalidism following myocardial infarction (Riegel, Dracup, Glaser), 285

Irritable Bowel Syndrome
The relationship between psychological distress and gastrointestinal symptoms in women with irritable bowel syndrome (Jarrett, Heitkemper, Cain, Tuftin, Walker, Bond, Levy), 154
Self-report and polysomnographic measures of sleep in women with irritable bowel syndrome (Heitkemper, Charman, Shaver, Lentz, Jarrett), 270

L

Language
Metaphor: the language of nursing research (Kangas, Warren, Byrne), 190

Letter to the Editor (Department), 67, 195, 260, 307

Leukocytes
Meperidine attenuates the secretion but not the transcription of interleukin 1β in human mononuclear leukocytes (McCarthy, Murray, Galagan, Gern, Hutson), 19

Lifestyle
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies, Buffington, Cowan, Hepworth), 251

M

Marital Quality
Parental sensitivity to infants and toddlers in dual-earner and single-earner families (Broom), 162

Measurement
Distinguishing between the stability of a construct and the stability of an instrument in trait/state measurement (Knapp, Kimble, Dunbar), 60
Measuring nursing governance (Hess), 35
Self-report and polysomnographic measures of sleep in women with irritable bowel syndrome (Heitkemper, Charman, Shaver, Lentz, Jarrett), 270

Medication
Analgesic drug prescription and use in cognitively impaired nursing home residents (Horgas, Tsai), 235
Randomized trial of geragogy-based medication instruction in emergency department (Hayes), 211

Mental Health
The effect of maternal psychosocial factors on parenting attitudes of low-income, single mothers with young children (Lutenbacher, Hall), 25

Meperidine
Meperidine attenuates the secretion but not the transcription of interleukin 1β in human mononuclear leukocytes (McCarthy, Murray, Galagan, Gern, Hutson), 19

Metaphor
Metaphor: the language of nursing research (Kangas, Warren, Byrne), 190

Methodology Corner (Department)
Commitment and communication: keys to minimizing attrition in multisite longitudinal organizational studies (Salyer, Geddes, Smith, Mark), 123
Distinguishing between the stability of a construct and the stability of an instrument in trait/state measurement (Knapp, Kimble, Dunbar), 60
Informing participants about the benefits of descriptive research (Carpenter), 63
The practical effects of errors in reference lists in nursing research journals (Taylor), 300

Microbial Flora
Impact of 5-minute scrub on microbial flora found on artificial, polished, or natural fingernails of operating room personnel (Edel, Houston, Kennedy, LaRocco), 54

Models/Modeling
Conceptualizing vulnerable populations health-related research (Flaskerud, Winslow), 69
A longitudinal causal model of cardiac invalidism following myocardial infarction (Riegel, Dracup, Glaser), 285
A theory of planned behavior-based structural model for breast-feeding (Duckett, Henly, Avery, Potter, Hills-Bonczyk, Hulden, Savik), 325

Modified Parenting Attitudes Measure
The effect of maternal psychosocial factors on parenting attitudes of low-income, single mothers with young children (Lutenbacher, Hall), 25

Mood
Differences in cortisol, a stress hormone, in women with turmoil-type premenstrual symptoms (Cahill), 278

Multiple Sclerosis
Mothers with multiple sclerosis and their children: effects of fatigue and exacerbations on maternal support (Deatrick, Brennan, Cameron), 205
Symptom and activities of daily living trajectory in multiple sclerosis (Gulick), 137

Myocardial Infarction
A longitudinal causal model of cardiac invalidism following myocardial infarction (Riegel, Dracup, Glaser), 285

N

Norton Scale
Predicting pressure sore risk with the Norton, Braden, and Waterlow Scales in a Hong Kong rehabilitation hospital (Pang, Wong), 147

Nosocomial Infection
Impact of 5-minute scrub on microbial flora found on artificial, polished, or natural fingernails of operating room personnel (Edel, Houston, Kennedy, LaRocco), 54

Nursing Administration
Nurse staffing and patient outcomes (Blegen, Goode, Reed), 43

Nursing Assessment
Predicting pressure sore risk with the Norton, Braden, and Waterlow Scales in a Hong Kong rehabilitation hospital (Pang, Wong), 147

Nursing Care Practices
Individualizing nighttime incontinence care in nursing home residents (Schnelle, Cruise, Alessi, Al-Samarrai, Ouslander), 197

Nursing Education
Launching your research career through postdoctoral training opportunities (Wysocki), 127

Nursing Home Residents
Analgesic drug prescription and use in cognitively impaired nursing home residents (Horgas, Tsai), 235
Individualizing nighttime incontinence care in nursing home residents (Schnelle, Cruise, Alessi, Al-Samarrai, Ouslander), 197

Nursing Research
Conceptualizing vulnerable populations health-related research (Flaskerud, Winslow), 69
Informing participants about the benefits of descriptive research (Carpenter), 63
Launching your research career through postdoctoral training opportunities (Wysocki), 127
Metaphor: the language of nursing research (Kangas, Warren, Byrne), 190
The practical effects of errors in reference lists in nursing research journals (Taylor), 300

O

Obesity
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies, Buffington, Cowan, Hepworth), 251

Organization
Measuring nursing governance (Hess), 35

Outcomes
Maternal interaction patterns and preschool competency in high-risk

children (McGrath, Sullivan, Seifer), 309
Nurse staffing and patient outcomes (Blegen, Goode, Reed), 43
Self-schemas and possible selves as predictors and outcomes of risky behaviors in adolescents (Stein, Roeser, Markus), 96

Oxygenation
Effect of positioning on $S\bar{v}O_2$ in critically ill patient with low ejection fraction (Gawlinski, Dracup), 293

P

Pain
Analgesic drug prescription and use in cognitively impaired nursing home residents (Horgas, Tsai), 235

Parent-Child Relationship
Maternal employment and parent-child relationships in single-parent families of low-birth-weight preschoolers (Youngblut, Singer, Madigan, Swegart, Rodgers), 114

Parenting
The effect of maternal psychosocial factors on parenting attitudes of low-income, single mothers with young children (Lutenbacher, Hall), 25
Mothers with multiple sclerosis and their children: effects of fatigue and exacerbations on maternal support (Deatrick, Brennan, Cameron), 205
Parental sensitivity to infants and toddlers in dual-earner and single-earner families (Broom), 162

Patient Education
Randomized trial of geragogy-based medication instruction in emergency department (Hayes), 211

Patient Outcomes
Nurse staffing and patient outcomes (Blegen, Goode, Reed), 43

Percutaneous Transluminal Angioplasty
Quality of life in coronary artery disease (Lukkarinen), 337

Periodicals Standards
About reference citations (Dougherty), 259
The practical effects of errors in reference lists in nursing research journals (Taylor), 300

Physical Activity
Women's patterns of exercise following cardiac rehabilitation (Moore, Ruland, Pashkow, Blackburn), 318

Physical Affection
Mothers with multiple sclerosis and their children: effects of fatigue and exacerbations on maternal support (Deatrick, Brennan, Cameron), 205

Positioning
Effect of positioning on $S\bar{v}O_2$ in critically ill patient with low ejection fraction (Gawlinski, Dracup), 293

Premenstrual Symptoms
Differences in cortisol, a stress hormone, in women with turmoil-type premenstrual symptoms (Cahill), 278

Pressure Sores/Ulcers
Predicting pressure sore risk with the Norton, Braden, and Waterlow Scales in a Hong Kong rehabilitation hospital (Pang, Wong), 147
Predicting pressure ulcer risk: a multisite study of the predictive value of the Braden Scale (Bergstrom, Braden, Kemp, Champagne, Ruby), 261

Preventive Medicine
Genetic and environmental influences on cardiovascular disease risk factors in adolescents (Meininger, Hayman, Coates, Gallagher), 11

Psychological Distress
The effects of home nursing care for patients during terminal illness on the bereaved's psychological distress (McCorkle, Robinson, Nuamah, Lev, Benoliel), 2
The relationship between psychological distress and gastrointestinal symptoms in women with irritable bowel syndrome (Jarrett, Heitkemper, Cain, Tuftin, Walker, Bond, Levy), 154

Psychological Well-being
Parental sensitivity to infants and toddlers in dual-earner and single-earner families (Broom), 162

Publishing Standards
About reference citations (Dougherty), 259
The practical effects of errors in reference lists in nursing research journals (Taylor), 300

Q

Quality of Life
Quality of life in coronary artery disease (Lukkarinen), 337
Transmural care of terminal cancer patients: effects on quality of life of direct caregivers (Smeenk, deWitte, van Haastregt, Schipper, Biezemans, Crebolder), 129

R

Race
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies, Buffington, Cowan, Hepworth), 251
Racial differences in health status and health behaviors of older adults (Kim, Bramlett, Wright, Poon), 243

Relative Risk
Conceptualizing vulnerable populations health-related research (Flaskerud, Winslow), 69

Renal Failure
Cardiovascular dysautonomia of patients with end-stage renal disease and type I or type II diabetes (Hathaway, Cashion, Wicks, Milstead, Gaber), 171

Resource Availability
Conceptualizing vulnerable populations health-related research (Flaskerud, Winslow), 69

Risk Factors/Assessment
Genetic and environmental influences on cardiovascular disease risk factors in adolescents (Meininger, Hayman, Coates, Gallagher), 11
Predicting pressure ulcer risk: a multisite study of the predictive value of the Braden Scale (Bergstrom, Braden, Kemp, Champagne, Ruby), 261

Risky Behaviors
Self-schemas and possible selves as predictors and outcomes of risky behaviors in adolescents (Stein, Roeser, Markus), 96

S

Sandbags
Vascular complications after angiography with/without use of sandbags (Christensen, Manion, Iacarella, Meyer, Cartland, Bruhn-Ding, Wilson), 51

Schemas
Self-schemas and possible selves as predictors and outcomes of risky behaviors in adolescents (Stein, Roeser, Markus), 96

Self-concept
Self-schemas and possible selves as predictors and outcomes of risky behaviors in adolescents (Stein, Roeser, Markus), 96

Self-efficacy
Older adults and exercise: path analysis of self-efficacy related constructs (Conn), 180

Perceived self-efficacy, functional ability, and depressive symptoms in older elective surgery patients (Kurlowicz), 219

Sexual Abuse
Mother's potential for child abuse: the roles of childhood abuse and social resources (Hall, Sachs, Rayens), 87

Skin Health
Individualizing nighttime incontinence care in nursing home residents (Schnelle, Cruise, Alessi, Al-Samarrai, Ouslander), 197

Sleep
Individualizing nighttime incontinence care in nursing home residents (Schnelle, Cruise, Alessi, Al-Samarrai, Ouslander), 197
Self-report and polysomnographic measures of sleep in women with irritable bowel syndrome (Heitkemper, Charman, Shaver, Lentz, Jarrett), 270

Social Resources
Mother's potential for child abuse: the roles of childhood abuse and social resources (Hall, Sachs, Rayens), 87

Social Support
The effect of social support boosting intervention on stress, coping, and social support in caregivers of children with HIV/AIDS (Hansell, Hughes, Caliandro, Russo, Budin, Hartman, Hernandez), 79

Socioeconomic Status
Mother's potential for child abuse: the roles of childhood abuse and social resources (Hall, Sachs, Rayens), 87

Staffing
Nurse staffing and patient outcomes (Blegen, Goode, Reed), 43

Stress
Differences in cortisol, a stress hormone, in women with turmoil-type premenstrual symptoms (Cahill), 278
The effect of social support boosting intervention on stress, coping, and social support in caregivers of children with HIV/AIDS (Hansell, Hughes, Caliandro, Russo, Budin, Hartman, Hernandez), 79

Surgery
Perceived self-efficacy, functional ability, and depressive symptoms in older elective surgery patients (Kurlowicz), 219

Surgical Scrub
Impact of 5-minute scrub on microbial flora found on artificial, polished, or natural fingernails of operating room personnel (Edel, Houston, Kennedy, LaRocco), 54

Symptoms
Fatigue in HIV-infected men receiving investigational interleukin-2 (Grady, Anderson, Chase), 227
The relationship between psychological distress and gastrointestinal symptoms in women with irritable bowel syndrome (Jarrett, Heitkemper, Cain, Tuftin, Walker, Bond, Levy), 154
Symptom and activities of daily living trajectory in multiple sclerosis (Gulick), 137

T

Terminal Illness
The effects of home nursing care for patients during terminal illness on the bereaved's psychological distress (McCorkle, Robinson, Nuamah, Lev, Benoliel), 2
Transmural care of terminal cancer patients: effects on quality of life of direct caregivers (Smeenk, deWitte, van Haastregt, Schipper, Biezemans, Crebolder), 129

Theory of Planned Behavior
A theory of planned behavior-based structural model for breast-feeding (Duckett, Henly, Avery, Potter, Hills-Bonczyk, Hulden, Savik), 325

Twin Studies
Genetic and environmental influences on cardiovascular disease risk factors in adolescents (Meininger, Hayman, Coates, Gallagher), 11

U, V

Urinary Incontinence
Individualizing nighttime incontinence care in nursing home residents (Schnelle, Cruise, Alessi, Al-Samarrai, Ouslander), 197

Vascular Complications
Vascular complications after angiography with/without use of sandbags (Christensen, Manion, Iacarella, Meyer, Cartland, Bruhn-Ding, Wilson), 51

Vulnerable Populations
Conceptualizing vulnerable populations health-related research (Flaskerud, Winslow), 69
Vulnerable populations: a continuing nursing focus (Nyamathi), 65

W

Waterlow Scale
Predicting pressure sore risk with the Norton, Braden, and Waterlow Scales in a Hong Kong rehabilitation hospital (Pang, Wong), 147

Women's Health
Comparison of lifestyles among obese and nonobese African American and European American women in the community (Nies, Buffington, Cowan, Hepworth), 251
Differences in cortisol, a stress hormone, in women with turmoil-type premenstrual symptoms (Cahill), 278
The relationship between psychological distress and gastrointestinal symptoms in women with irritable bowel syndrome (Jarrett, Heitkemper, Cain, Tuftin, Walker, Bond, Levy), 154
Self-report and polysomnographic measures of sleep in women with irritable bowel syndrome (Heitkemper, Charman, Shaver, Lentz, Jarrett), 270
Women's patterns of exercise following cardiac rehabilitation (Moore, Ruland, Pashkow, Blackburn), 318

Writing Standards
About reference citations (Dougherty), 259
The practical effects of errors in reference lists in nursing research journals (Taylor), 300
